

# CITY OF LODI

**AGENDA TITLE:** Rejection of Bids and Re-Advertisement for Bids

**MEETING DATE:** August 19, 1992

**PREPARED BY:** Fire Chief

**RECOMMENDED ACTION:** That the city Council **reject** an bids received on June 24, 1992, and **authorize readvertisement** for new bids for the purchase of one 1500 gallon per minute pumper for the Fire Department.

**BACKGROUND INFORMATION:** On May 20, 1992 the City Council authorized advertisement for bids for a new fire apparatus. Four bids **were** received; however, all bids **exceeded** the \$200,000 amount budgeted for the purchase of this unit.

	<u>Lease/Purchase</u>	<u>Purchase</u>
Westates Truck Equipment, Woodland	\$226,876.10	\$202,532.29
River City Emergency Equip., Sacramento	\$234,033.80	\$207,928.41
Hi-Tech Emergency Vehicle, Oakdale	\$245,876.75	\$203,587.16
Golden Stale Fire Apparatus, Modesto	\$246,109.74	\$208,196.71

To bring the ~~cost~~ of this equipment under budget limits, specifications have been modified slightly without compromising equipment performance.

\$40,000 was approved in the 91-92 Budget to acquire bids for the lease/purchase of a new Fire Pumper with the stipulation that said funds would not be disbursed until the 92-93 budget year. A fire apparatus committee was formed from line and management personnel to assemble the specifications for this apparatus. We have prepared a modified specification we believe will come in under the total authorized budget of \$200,000.00 and still be a quality Fire Apparatus that will meet our needs.

**FUNDING:** Estimated First year lease/ purchase costs of \$40,000 is included in the Fire Department's 1992-93 fiscal year budget. Total authorized budget for this item is \$200,000.00
